## **Application to receive a Young Person's Choral Award to join Daventry Choral Society**

Name .....

Date of birth if under 18 .....

I want to sing with Daventry Choral Society and apply for a Young Person's Choral Award for the following reasons. (Please include any musical experience you have; not having any will not count against you).

If I am successful I understand that I am required to:

- attend rehearsals regularly and seek the Assistant Music Director's permission to sing in a concert if I miss more than 30% of rehearsals in that term;
- practise at home as much as possible;
- attend Saturday workshops, which are normally held once a year

In addition, the choir goes on tour biennially and this option is open to me, for which financial assistance may be available.

Signed ..... (Applicant)

My parent or guardian consents to my joining Daventry Choral Society.  
(only required if the applicant is under 18 at the date of joining)
